Best Technology Enhanced Environment

Winner

the human tech agency (Abbeyfield Society)

The Abbeyfield project was an outstanding success. Residents' lives were impacted dramatically in a positive way, thanks to the use of voice-activated smart devices

Best Owner or Operator

Winner

Birchgrove

Birchgrove develops exclusively for the assisted living rental market because it's their belief that the "for sale" model excludes a significant population of older people from the market.

Finalists

Brio

McCarthy Stone

The ExtraCare Charitable Trust

Best Developer or Construction Company

Winner

McCarthy Stone

At the heart of the changes in construction techniques and products is McCarthy Stone's drive to increase affordability and open up access to retirement living to more people than ever before, across 500 developments in the UK with over 22,000 older residents.

Best Team on Site

Winner

Middleton Hall

Providing a reliable central contact point for residents allows residents to access levels of support to suit their individual needs. Middleton Hall's Reception team does this and much more.
